

SAFE HOME PLEDGE

Please complete the pledge below tonight, send it into school with your student or scan and email to mthebronptsa@gmail.com

The Mt. Hebron PTSA maintains a Safe Homes List. We have created a list of homes in which parents pledge not to serve alcohol to underage Mt. Hebron students. Parents who sign the following pledge will be added to the list. We will include the list in the Student Directory. The list will also be posted on the Mt. Hebron PTSA website. Your student's name will remain on the list until they graduate, making it unnecessary to sign a new pledge each year unless you have a new student at Mt. Hebron.

WE PLEDGE TO PROVIDE A SAFE HOME

Because we value the welfare of our son/daughter and others:

- We will not serve or knowingly allow minors to consume beer, wine, alcohol, or use illegal drugs in our home or on our property.
- We will not knowingly allow parties or gatherings of minors in our home when we are not there.
- We will actively supervise parties or gatherings of minors in our home or on our property.
- We will communicate with other parents (or guardians) who are concerned about the safety of their children in our home or on our property.
